4. **Must Not Possess Firearms** - You must not own, possess, or have access to a firearm, ammunition, destructive device, or dangerous weapon (i.e., anything that was designed, or was modified for, the specific purpose of causing bodily injury or death to another person such as nunchakus or tasers).

Given Resendez was in a vehicle with a firearm he certainly had access to this firearm, in violation of this condition.

UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEVADA
UNITED STATES V. DAVID RESENDEZ, 2:20CR00116

SUMMARY IN SUPPORT OF PETITION FOR SUMMONS
April 22, 2022

By way of case history, Resendez was sentenced to seven months custody followed by a three (3) year term of supervised release for committing the offense of Felon in Possession of a Firearm. On August 21, 2021, Resendez commenced his term of supervision.

As referenced above, Resendez has violated numerous conditions of supervision in a relatively short amount of time. As referenced in allegation #1, Resendez has submitted positive drug tests for several different controlled substances and failed to report for drug testing on multiple occasions. Resendez is required to call a dedicated phone number nightly to see if he is required to report for drug testing the following date. Resendez ceased calling this line from March 22, 2022 until April 16, 2022. During that time, Resendez also ceased all contact with the probation office.

As referenced in allegation # 2, Resendez failed to report for substance abuse treatment on three occasions. His clinician noted he completed 9 out of 12 classes but has failed to report to any treatment session after March 8, 2022. Attempts to contact Resendez in person or phone by the probation office were unsuccessful until April 15, 2022.

As referenced in allegations #3 and #4, Resendez failed to report law enforcement contact to the probation office and was found to be in a vehicle where a firearm was discovered. On or about March 26, 2022, Resendez was contacted by Las Vegas Metropolitan Police Department Officers during a traffic stop. Resendez was in the front passenger seat of the vehicle. There were two other males in the vehicle as well. All occupants of the vehicle were removed and detained. A firearm was discovered under the front driver seat that was later identified as a silver Phoenix Arms HP22A .22 caliber handgun. Given there were multiple people who could have had access to the firearm and nobody claiming responsibility for it, Officers made the determination to obtain warrants for DNA buccal swabs and serve Marcum Notices to Resendez and one of the other occupants. Resendez was subsequently released and failed to report this law enforcement contact to the probation officer as required.

It should be noted, Resendez had ceased all communication with the probation office between approximately March 22, 2022 through April 15, 2022. During this time, he failed to call into the drug testing line as required. Given that Resendez had ceased any communication with the

probation office, contracted vendors, and failed to report law enforcement contact where a firearm was discovered, Court intervention is now required.

As such, it is respectfully requested a Summons be issued to initiate revocation proceedings and bring Resendez before Your Honor to show cause as to why supervision should not be revoked.

Respectfully submitted,
